Stewards of Children is a revolutionary sexual abuse prevention training program that educates adults to prevent, recognize and react responsibly to child sexual abuse. The program is designed for organizations that serve youth and recognizes that adults are responsible for the safety of children.

Big Brothers Big Sisters of Berrien and Cass will host this in-service workshop conducted by trained facilitator Jamie Rossow of the Berrien County Council for Children. The Council is providing scholarships for attendees through The Children's Trust Fund, not only for Big Brother and Big Sister mentor volunteers, but also for others who would welcome additional educational tools in working with our community's children.
